EDUCATION

PhD

Indian Institute of Science

Pursuing PhD in Department of Electrical Communication Engineering

Advisor: Prof. Navin Kashyap

2023

Bengaluru

B.Tech

Arya College of Engineering & I.T.

Electronics & Communication Engineering 8.6 CGPA

07/2018 – 05/2022

Jaipur, India

12th

Jawahar Navodaya Vidyalaya

PCM with Computer Science 79%

04/2018

Dholpur, Rajasthan,
India

PROGRAMMING SKILLS

- MatLab
- C & C++ Programming
- Librero Soc
- VHDL
- Python With DSA Programming
- vivado
- system verilog

RELATED COURSES

Embedded system design

2020-05 - 2020-06 summer Training

Analog Circuit Design

2020-01 - 2020-04 NPTEL, Course Completion

Python with DSA

2020-01 - 2020-03 NPTEL, Course Completion

Quantum safe cryptography

Indian Institute of Science

Information Theory

Indian Institute of science

TCP-IP Networking

Indian Institute of Science

LANGUAGES

Hindi

Native or Bilingual Proficiency

English

Full Professional Proficiency

PERSONAL PROJECTS

Muzzle print recognition

10/2024 – 12/2024

Inverted pendulum

03/2024 – 05/2024

Robotic Hand for learning sign Language

01/2022 – 04/2022

RESEARCH INTERESTS

Lattice based cryptography | Homomorphic Encryption | Hardware Accelerator design |
Side-Channel Analysis

PUBLICATIONS

Robotics hand for learning sign language

Indian Patent granted

31/03/2023

PROFESSIONAL EXPERIENCE

Indian Institute of Science (IISc)

08/2026

Teaching Assistant

Power system design and control

Power Grid Corporation of India

07/2025

Lab visit

Chegg

03/2022 – 11/2022

Subject Matter Expert

Dholpur Combine cycle power plant

08/2021 – 09/2021

summer (Training)

OxYmora Technology Pvt. Ltd.

05/2020 – 06/2020

summer Training

FELLOWSHIP AND SUPPORT

Power Grid Corporation of India

Smart grid security project

GATE

MHRD fellowship
